# CUSTOMER GUIDELINES

Clark Distributing Co. has been distributing vegetarian foods for over 40 years. Thank you for giving us the opportunity to serve you. Following is a list of guidelines that will be helpful to you, our valued customer.

**PRICING:**

Pricing is determined by the size and frequency of your orders. It is based on the dollar amount, not the weight of your order. Once your price level is set, it will not change from order to order. As your business grows, we can discuss better prices with you. If you need a new price list or catalog, we will be happy to e-mail one to you.

Wholesale prices are subject to change without notice. Whenever possible we will give you advance notice of any price changes.

**RECEIVING YOUR ORDER:**

You will receive your invoice at the time of delivery. When your order arrives, please take the time to make sure that you received everything listed on your invoice. Also, make sure that nothing is damaged. Our driver has two copies of your invoice. He will need your signature on one copy and leave the other copy with you. If there are any shortages or damages, you will need to note them on the invoice copy that you sign. Failure to do this means we cannot issue credit for those items.

Out of stock items will show a zero quantity on your invoice and will say "out of stock". These items will need to be reordered. We do not do backorders.

**PAYMENT TERMS:**

Our standard terms are COD (Check on Delivery). Please make checks payable to Clark Distributing Co. Always reference the invoice number with payment. Please pay by business check, money order, or cashier's check. Accounts will be billed \$20.00 for each NSF (Non-Sufficient Funds) item.

**We do not accept post-dated checks.**

**MONTHLY PROMOTIONS:**

We offer monthly promotions on a number of items. Your customer service representative will be happy to share the promotions with you. Promotional discounts are based on the *delivery* date.

**SHIPMENT OF ORDERS TO AREAS NOT ON CLARK ROUTES:**

In areas where Clark Distributing does not deliver, the customer has the option of having their order shipped by common carrier at their expense.

**WEBSITE:**

Visit our website at [www.clarkdistributing.com](http://www.clarkdistributing.com) to see current promotions, get an updated catalog, or see a list of new items.

**NEW PRODUCT IDEAS:**

We are always interested in new products. If there are items that you would like for us to carry, please let us know. We will do our best to provide you with the items you need.

# RETURN CREDIT POLICY

## **TIMELY REQUESTS REQUIRED:**

All credit requests are to be made within 48 hours of delivery.

## **APPROVAL REQUIRED BEFORE RETURN:**

Requests for credit must be approved before returning any product. Credit memos are issued upon receipt of product at our warehouse and emailed or attached to the next invoice. Deductions from invoices before a credit memo is issued will not be honored and may make the account delinquent. **All sales are final on frozen and refrigerated items.**

## **STORE RESPONSIBILITY FOR CONDITION OF RETURNS:**

All merchandise must be returned in the same condition that it was received. Credit will not be issued for merchandise that has been defaced, marked, stamped, priced, or is un-saleable upon receipt at our warehouse.

## **SHORT DATED AND OUT OF DATE PRODUCT:**

We will issue credit for all product delivered with a short expiration date or Out of Date. We are unable to issue credit for products that have gone out of date on store shelves.

## **DAMAGED ON DELIVERY:**

We will issue credit for all product found to be damaged upon delivery, including perishable product not delivered in proper frozen or refrigerated condition, when delivered on Clark trucks. Damages must be noted on the invoice at time of delivery for credit to be issued.

## **SHORTAGES:**

We will issue credit for product ordered and invoiced, but not received. All shortages must be noted on the invoice before credit can be issued.

Where an order is delivered on a common carrier (not a Clark truck), the customer must file a claim with the carrier. Clark Distributing will not issue credit for shortages when delivery is not made on our trucks.

## **WAREHOUSE MIS-PICKS:**

We will issue credit for items mistakenly picked, including instances where the wrong items were shipped and situations where the wrong quantity of the right item was shipped.

## **PRICING/PROMOTION ERRORS:**

In the event an invoice price differs from our committed price, we will issue credit.

## **MANUFACTURER RECALLS:**

We will issue credit for all products recalled by the manufacturer for health/safety reasons or upon government request.

## **CUSTOMER MIS-ORDERS:**

We will issue credit for products ordered in error (wrong item, ingredients, size, quantity) if requested promptly. However, there will be a 5% restocking fee. **All sales are final on frozen and refrigerated items.**
